

50%

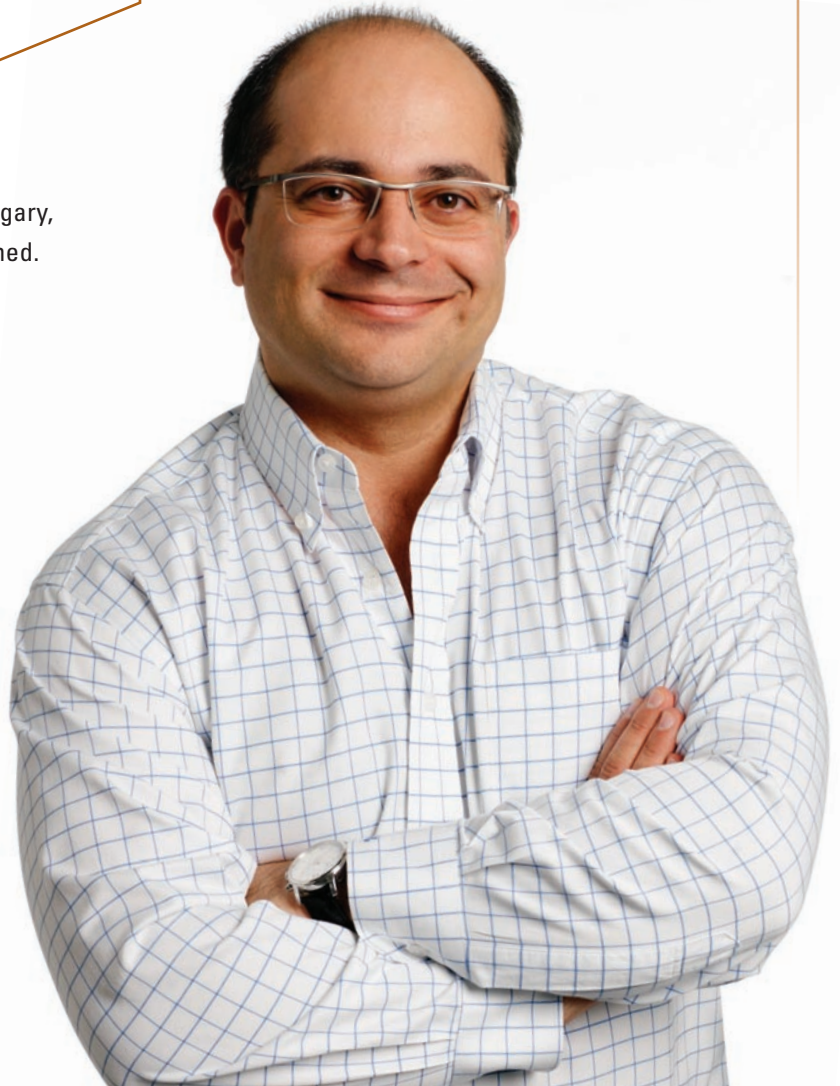

In January 949 homes were sold in Calgary, a drop of almost 50% compared to January 2008 (when total MLS sales were 1867).

22%

So far this year Sam's sales are 22% more than his record in January/February 2008.

Sam ranked #1 in Western Canada with Re/Max in 2008. We all know sales are down. Even so, this February Sam sold four times the homes he sold last February.

If you are buying or selling a home in Calgary, talk to Sam. His results are well established. Your result, will speak for itself.
